## Save our Schools Stop the cuts

At a time when education funding should be increasing, the NSW Government is making cuts that will affect every school, every classroom and every student in NSW.

Lets make our opposition to school funding cuts clear. Join me in a family friendly Community Day of Action.

**Save our Schools - Stop the cuts  
Community Day of Action  
11:00am to 1:00pm  
Sunday 18 November  
McCabe Park Wollongong**

This will be a community day, so please spread the word.

Together we can work for better schools and better funding.

## Year 11 RYDA Program

Reminder to all Year 11 students that their notes and money are due in for the RYDA Program. All students are strongly encouraged to attend. Any questions please see Ms Cannon.

Ms T Cannon

## November

Some of our male staff members have started sprouting strange growths on their top lip. This is in aid of Movember. This is a very worthwhile cause as funds that are raised assists victims of prostate cancer through research to help find a cure.

## Touch Football Competition

Kanahooka High School is hosting a Mixed Touch Football Competition for **ALL** students on Tuesday afternoons.

Cost is \$1.00 per student per game and starts at 3:30pm.

**ALL** students 12 years and over from the Dapto Learning Community are welcome to play.

Please call Jos or Ms Thatcher on 4261 4011 to enter a team or join a team.

## Year 9 Photography Exhibition

On Wednesday 7 November the two Year 9 Photography classes held an opening of an exhibition of the work they had done this semester. They invited family members, friends and parents to view their work. The exhibition consists of black and white with examples of the special effects done by the students.

Some of these include negative, solarised, and hand coloured prints as well as a selection of digital images.

The morning was a huge success and we thank all the guests that took time to join us. The exhibition will be displayed until 17 November.

Ms S Abarcia

## Statements of Outstanding Fees

Statements of Outstanding Fees have been posted home this week. As the year is quickly drawing to an end we would appreciate the payment of all outstanding monies at your earliest convenience. Should you require assistance with the payment of fees, then please collect a Student Assistance Form from the front office. The school has limited funds to assist families in financial hardship.

Mrs J Roddan

## ELEVATE

Three members of the SRC attended a leadership program held at the University of Wollongong last Friday 2 November and it was found to be very informative to all students who participated. One of the speakers, Ally Kelly, from an organisation called 'Mind Blank' is helping to educate students on mental health awareness through a drama program devised for the purpose.

## Brick & Block Program

Last week a small group of students from Year 9 and 10 took part in a bricklaying program run by the Australian Block and Bricklaying Training Foundation (ABBTF). Todd from ABBTF instructed both students and Mr Banasiak in laying bricks, covering techniques/skills such as cement mixing including appropriate ratios, string line measurements, water levels, laying of beds and cement rendering.

The students worked extremely well and they were attentive and showed a great deal of respect to Todd for teaching them these skills. Some were so engrossed in their work that they didn't realise the bell had rung for smoko!

Todd commented that they were an excellent group to work with and some were laying bricks like they had been doing it for years.

The students involved were Cameron Cooper, John Jacka, Benjamin Kelly, Jack Parkes, Dean Pender, Aron Peppoloni, Ashley Salisbury, Dean Teasdale, Sean Thomson and Paul Williams. Many students have expressed a desire to work in the construction industry and therefore saw this as an invaluable experience. All students involved should be congratulated for their excellent work ethic and respect shown. A big thank you must also go to Todd from ABBTF and Karen from Workplace Learning Illawarra for the assistance in organising the project.

Their completed retaining wall can be found at the front of the school near the beginning of the awning. In the coming weeks the group will turn the area behind the wall into a native garden bed.

Mr M Banasiak
