Stage 6 Deputy Principal's Report

As I write this report for our newsletter, I look back with very fond memories of the Year 12 students who are about to graduate. They face the last of their school challenges in a few weeks' time as they tackle the HSC exams. Before that, they have their graduation ceremony and then enjoy the formal.

Our Year 12 students leave Kanahooka High School as young men and women who have developed both socially and academically, with aspirations that will guide them in the next stage of their lives. It has been a pleasure to act as their Deputy for the last two years, where I have been able to get to know them very well. I wish them all the best in their future endeavours, and hope that their memories of Kanahooka HS are positive ones.

To our Year 11 cohort, you now move into the final year of your studies. Rest assured, this time goes very quickly. Term 4 will be all systems go as we move into HSC course work. It is vitally important to keep on top of all the stresses the next 12 months will bring. There are a number of support mechanisms in place to assist students and early in Term 4 we will meet with our new Year 12 students and reinforce what is available and the best ways to access them.

To Year 12 I leave with you one of my favourite quotes:

Take pride in how far you have come. Now have faith in how far you can go.

Best wishes

Tony Panecasio

Stage 6 Deputy Principal

Robert Street, Dapto 2530

PRINCIPAL'S REPORT

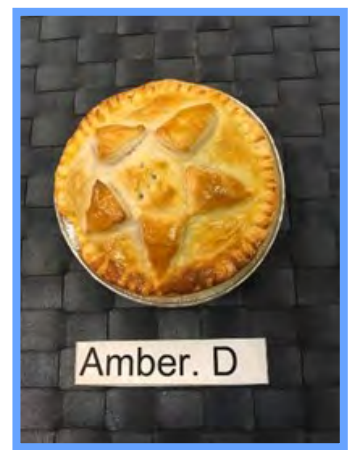

Another fantastic term at Kanahooka High School. Here is a snap shot of the term.

Breakfast with Lake Illawarra Police

Senior Girls Netball Champs with Mr Scruby

Year 10 Food Tech Creations

R U OK day

Science Fair Preparation

SASS Recognition Week

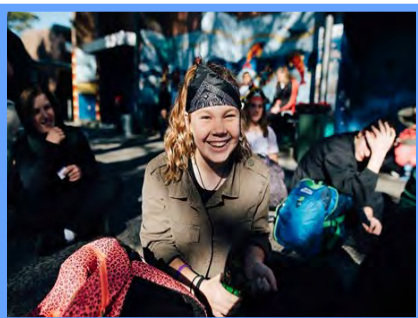

Work Experience

Work Experience

HSC Showcase

Pirate Day

Southern Stars

Taste of TAFE

PRINCIPAL'S REPORT

Rotary Youth Enrichment Program

V8 Supercars

Sausage Sizzle for KidzWish

Visitors from Japan

Mark Scott Visit to KHS on Jeans 4 Genes Day

STEM Robotics

Year 5 - 6 Taster Activities

Senior Boys Soccer

All this as well as Parent Teacher Interviews, fitness and breakfast programs, subject selections as well as the everyday teaching and learning. The Preliminary HSC course completed by Year 11 and lastly a farewell to Year 12.

Awesome work by both staff and students. Enjoy the spring break and I look forward to being just as busy in Term 4.

Ms Toohey
Principal

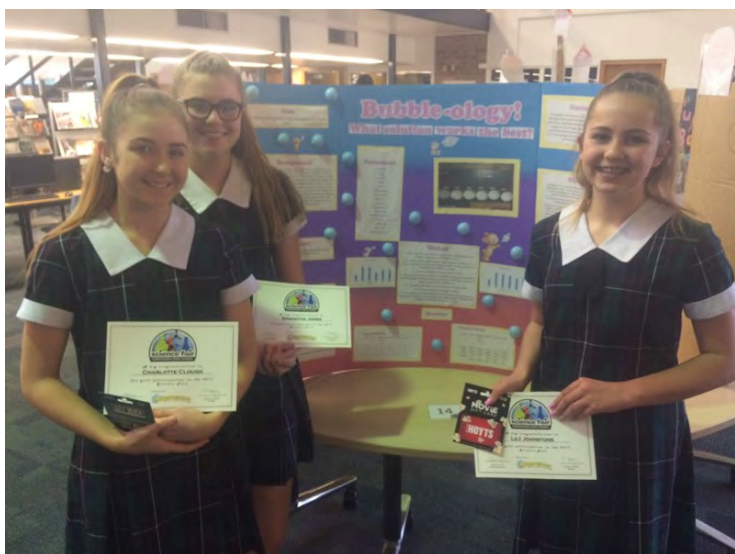

SCIENCE FAIR

KHS Science Fair

On Wednesday 13 September, the Science Faculty hosted the fourth Annual Science Fair. We had 29 entries in total from Kanahooka High, Hayes Park and Koonawarra Public School. We would like to congratulate all students on their efforts and thank all those who attended the special event. Science Fair prizes were awarded for the High School category, Primary School category and the Deputy Principal Choice. I would like to thank the Science Faculty for all their hard work, in particular, Mr Crighton who planned and organised the Science Fair. What a way to finish off another wonderful term at Kanahooka High School.

First Place High School Category: Chelsea V, Belinda B, Chloe W – 'Testing Fast Food Spoilage'

Second Place High School Category
Lily J, Charlotte C, Samantha J – 'Bubble-ology'

Third Place High School
Sarah M, Ella S, Ashlee C – 'The Biggest Bubble'

SCIENCE FAIR

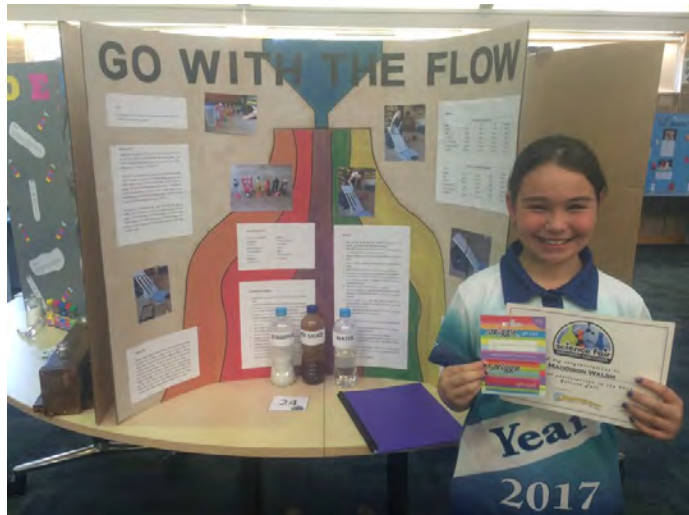

First Place Primary School

Bryn N, Riley S, Zach M – 'Hydraulic Lift'

Second Place Primary School

Makensie R, Jasmine K, Tiarne H – 'How to Make Magnetic Fluid Reactions'

Third Place Primary School

Maddison W – 'Go with the Flow'

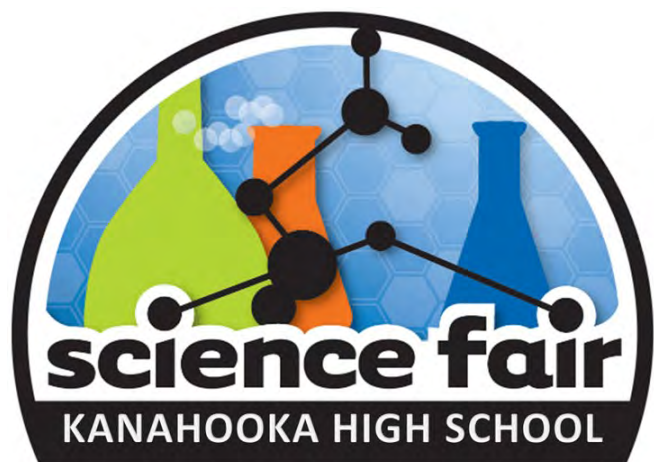

Deputy Principal Choice Award

Taimani K, Elizabeth P, Isabella F – 'Cake Baking with Lit'

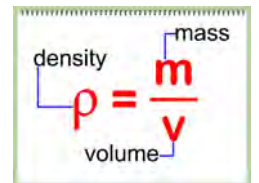

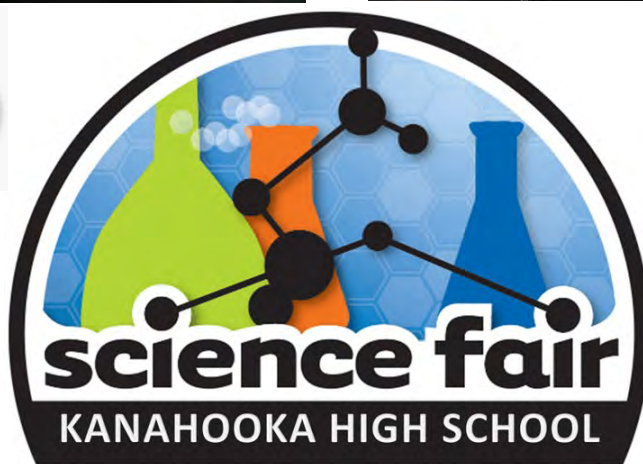

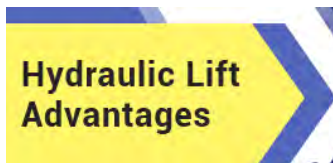

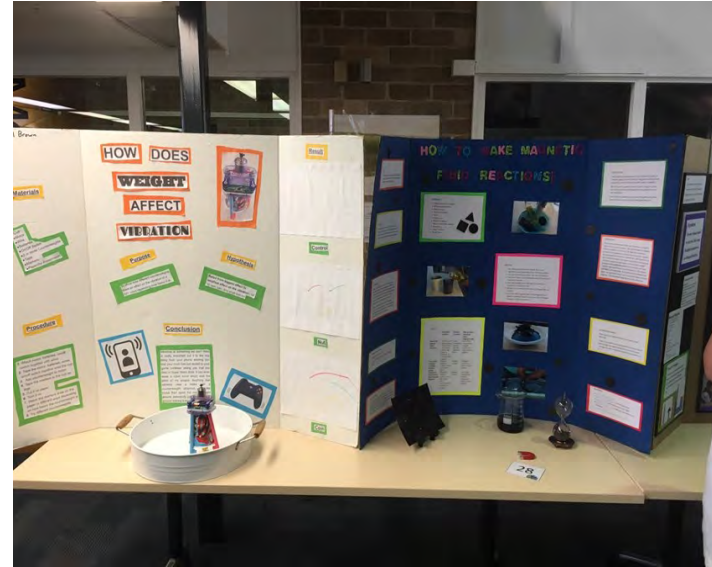

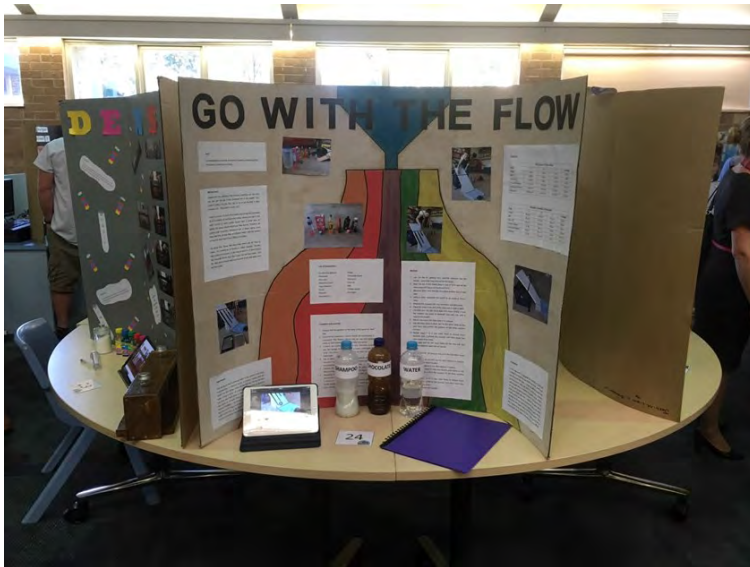

Deputy Principal Choice Award

Kobi M – 'Sweet As'

SCIENCE FAIR

YEAR 11 RYDA PROGRAM

Year 11 RYDA day on Road Safety Education

Year 11 RYDA Program

Year 11 recently attended a full day of workshops at Kembla Grange Racecourse, which took our students through a series of thoughtful presentations on their driving futures. Year 11 watched drivers lock up their brakes at 50 and 60 km/h and observed the stopping distance involved. This saw Morgan getting hit pretty hard. The practical trackside part also introduced students to ANCAP ratings, tread markers on tyres and the importance of sitting properly with an airbag coming at you at 100's of km/h.

YEAR 11 RYDA PROGRAM

Braking distances at speed

Presentations by local Police and a member of the community with an acquired brain injury brought to life the impacts of choices and clarified questions students had about rules and the effects on others after the accident.

Students are reminded to keep thinking about their choices, distractions, risks and Genevieve's story.

Well done on a great day out Year 11!

Mr Ursino and Mrs Lucas
Year 11 Advisers

SPORT

Our Winter grade sport competition teams enjoyed a very special day on Thursday 14 September. A record number of seven teams won through to the finals of the Southern Illawarra Zone R U OK Grade Sport finals.

The Senior Girls Netball team was the big winner on the day as they enjoyed a comprehensive victory over Warilla High School.

Our Senior Boys Soccer team also joined the winners circle on the day after their pulsating 1-1 draw with Warramong High School, joint winners have been declared!

Other teams who made the final but were unfortunately beaten on the day included, Girls Newcomb Ball team, Girls Volleyball team, Senior Girls Soccer team, Senior Boys Basketball team and our Junior Boys 'A' Oztag team.

In the Bronze Medal play off for third, I was fortunate enough to witness an outstanding performance from our Junior Boys A Soccer team. They were superb, with their passing and team work first class.

Whilst our Junior A Netball Girls and our Junior Boys Basketballers missed out on the bronze, they lost no friends by fighting hard to the final whistle. Overall it was an outstanding achievement for a relatively small school like ours, to have 10 teams involved on finals day. This fact reflects the strong commitment and skills that our students possess. We as a school salute the wonderful progress that they have achieved. Whilst this fantastic team spirit has dominated our teams performances, we must also acknowledge outstanding individual achievements.

Senior Girls Netball Team: Paige W, Samantha P, Maddison A, Sharna H, Skye G, Chloe T, Brooke W, Leah P, Amber-Bree D and Chantelle C (Absent: Sarah Y)

SPORT

Open boys soccer team - Jake M, Jacob H, Ryan S, Alex K, Kane H, Samuel C, Kyle B, Cooper W, Kyle G, Alex F, Trent C, Keegan A (Absent - Rory B, Julian V, Daniel M, Llayton R, Thomas S and Joseph B)
Teacher - Mr Arthur

The following is a list of the most valuable players and coaches award recipients from each of our sporting teams.

<i>Sport</i>	<i>Most Valuable Player</i>	<i>Coaches Award</i>
Newcomb Ball	Amy L	Lan C
Girls Volleyball	Je-An B	Saane K
Senior Girls Netball	Amber-Bree D	Chantelle C
Junior Netball A	Kraby R	Holly W
Junior Girls Netball B	Shaylen H	Kierstan G
Senior Boys Basketball	Jordan D	Ace C
Junior Girls Oztag A	Charm B	Zoe M
Junior Boys Oztag A	Jordan W	Jake S
Junior Boys Oztag B	Mackenzie Z	Maverick W
Junior Boys Soccer A	Tony K	Aiden H
Junior Boys Soccer B	Zac W	Trent R
Senior Girls Soccer	Madeline A	Emily M

Finally, a big thank you to all of our wonderful teacher coaches, who tirelessly contributed to the positive weekly experience that we all enjoyed.

Mr Nunn
PDHPE

Southern Illawarra Basketball Day under 15s at Illawarra Sports High

A great group of students from Kanahooka took part in a fun, competitive tournament day, which saw the Illawarra Sports High girls winning the girls side and Oak Flats winning the boys side. Both Kanahooka teams played extremely well, with the boys losing 3 games by less than 7 points and the girls battling to a strong third place finish on the day.

Special thanks to Mr Walton for coaching the teams, Liam O for officiating and Brock T doing bench duties for the day. Well done Kanahooka on your representation in a great tournament.

Absent in the photo are Sarah Y, Chloe S, Naomi G and Jye H

2017 Kanahooka Junior Boys Basketball

The Junior Boys Basketball team played a hard fought consolation final at Croome Road Basketball Stadium for their last day of school sport this year. Defeated by Oak Flats, the team has really enjoyed this season and represented Kanahooka well. Friendships have formed over games and tournaments across schools, and a number of these players will compete outside of school, both, at the Snake Pit and Croome Road. I hope that there may even be some budding representative players soon. This group of players maybe the reason for neighbours to the school, starting their morning walks a little earlier and the growth of, and enthusiasm for basketball, in the area and around the school. Our beautiful basketball courts are seeing lots of action. Proud of your playing in another great season.

Mr Ursino

Absent: Harrison P, Zac D, Thomas R and Josh S.

Attention all Year 11 Students

UOW Year 12 Summer Master Class 2018

There have been a few updates to the program in the past week:

1. Students no longer have to get their form of ID certified or cited by a Justice of the Peace. They can simply upload a photocopy or photo of their birth certificate, licence, or passport on their application form.
2. **EIS001: Developing Systems to Solve Business Problems** has been added to the list of available subjects for students. More information and subject criteria can be found on our website.

Applications and more information can be found at:
uow.info/yr12summer

Closing date Friday 22nd September.

"As you know, our school has been participating in Woolworths Earn & Learn. The program has now finished for this year, so a big thanks to everyone who supported our school. We're now at the important stage of the program where the Sticker Sheets are collected and lodged as our Earn & Learn claim. We will then be able to get new educational equipment for our school. The more we collect, the more we can redeem. So this week, please send in your Woolworths Earn & Learn Sticker Sheets and any loose Earn & Learn stickers you may have. Remember to check your handbag, the car glove box or they maybe stuck on the fridge. Every little bit helps. Thanks again for all your support!"

DANCE DEVELOPMENT WORKSHOP

Kanahooka High School has designed a FREE workshop available to all students. This is a one-time opportunity for students to work with an Industry Dance Professional.

Students from local area Dapto Primary Schools(Yrs 5 & 6) & High Schools also welcome!

Thursday 2 Nov 2017 | 3.30- 5.00pm
(sign in from 3.00pm)

@ Kanahooka High School hall

Register now!

Student's name, age, school and contact details

Our choreographer:

**Teagan McKeen | Founder /
Principal of
The Dance Affinity**

Having been involved in dance for the past 22 years, Teagan's love for the art form has seen it consume every aspect of her life. Despite taking classes with world-renowned choreographers in Las Vegas and New York, she finds her most valuable lessons were learnt here in the Illawarra, where she was mentored by a number of influential dance teachers.

In addition to dance teaching, Teagan loves musical theatre and is the resident choreographer of the multi-award winning So Popera Productions. She has both choreographed and performed in their productions of The Producers (2016) and nominated for a CAT Award for Best Choreographer; Beauty and the Beast (2017); Chicago (2017); and is currently working on The Little Mermaid (2018). www.thedanceaffinity.com

graffiti
REMOVAL DAY

Kanahooka High School
Principal

Dear Kanahooka High School

Graffiti Removal Day - Sunday 29 October

I am writing to encourage your School to participate in **Graffiti Removal Day**, which this year will be held on **Sunday 29 October**.

Graffiti vandalism costs our community over **300 million dollars each year**. Money which could be used to build new schools, hospitals and transport facilities.

The New South Wales Government is committed to reducing graffiti vandalism by encouraging local communities to get involved in the removal and prevention of graffiti. To support this goal the Government established a state-wide graffiti removal and prevention day known as "Graffiti Removal Day."

This year our theme is Let's **Love Where We Live**. Our aim is to encourage people to take pride in their community by **volunteering** their time to remove and prevent graffiti.

Graffiti Removal Day is sponsored by the NSW Government, Rotary, Dulux, Selleys and Smart Graffiti.

Last year's event was a great success with volunteers removing **21,000sqm** of graffiti from across NSW. We hope to make this year even bigger.

This great community event is a fantastic opportunity for your school to engage with your local community.

To help make Graffiti Removal Day a success we would encourage your school to:

- Utilise our **Teacher Resource Kit for Year 9 Geography**;
- **Promote** the Day on your schools website and social media pages;
- Encourage students and staff to **volunteer** their time; and
- Identify areas where **trees or plants** can be planted to prevent graffiti.

All material and equipment required to participate in Graffiti Removal Day is **provided free to your School**. Community grants of up to \$750 are also available to put in place graffiti prevention strategies.

Although the official date of the event is **Sunday 29 October**, your school can undertake clean-up and prevention activities anytime during the month of October.

Printed promotional material, caps and teacher's resource kit are available upon request. You can also download a copy of the **Teacher Resource Kit** by clicking [HERE](#) or request a printed copy.

To know more about Graffiti Removal Day visit the Website www.graffiti removal day.org.au.

If you have any questions or wish to get involved please do not hesitate to contact Louise Pilkington from our friendly support team on either **1300 665 310** or louise@graffiti removal day.org.au

Regards

Bob Aitken AM
Chairman
Graffiti Removal Day
Phone: 1300 665310
Fax: 02 98915984
Website: www.graffiti removal day.org.au

Anyone over the age of 12 with the ability to clean off graffiti can volunteer to participate in Graffiti Removal Day.

Volunteer today!

Did you know plaque contains hundreds of species of bacteria?
Dental plaque cause tooth decay and gum disease and is linked to many health conditions such as diabetes and stroke.

Cosmetic Procedures Made Affordable
Have you ever wondered about cosmetic dentistry? We have a great range of treatments. Our competitively priced services include teeth whitening treatments, which is often all that is needed to quickly boost your smile, as well as more advanced procedures. We have made every effort to ensure our high-quality cosmetic dental treatments are accessible for our local community.

We are Passionate About Cosmetic Dentistry
Our dentists all love creating beautiful smiles and every treatment is customised just for you. For example, if you need a new crown, it will be designed to beautifully blend in with your existing teeth, using high-quality and life-like porcelains.

For a limited time we offer following treatments at a reduced cost:

- 50% off Pola paint teeth whitening
- 40% off fully customised take-home whitening kits with your own whitening trays
- 40% off new crowns
- Free consultation for orthodontics, implants and cosmetic dentistry

To find out more about our affordable cosmetic dental treatments, why not call us to book your free consultation.

*Terms & Conditions Apply

Free consultation for orthodontics, implants and cosmetic dentistry **Call 02 4208 3060 to book an appointment**

Has Your Little One Seen a Dentist Yet? Great Dental Care Starts Early
Childhood tooth decay is still very common, but did you know that with the right dental care your little one could grow up with strong, healthy and cavity-free teeth? As a family oriented practice, we all love seeing children and recommend their first visit takes place by age one. When you bring your little one to see us, we promise to treat them as if they were our own.

By gently examining their mouth, we can check their teeth and jaws are forming properly and we can provide you with a wealth of information. This includes instructions on cleaning their teeth in ways that are less stressful and more fun for you both, and we can provide dietary advice. Taking care of their first teeth is essential as these teeth help them learn how to speak clearly and to eat comfortably, and will enable their adult teeth develop correctly. With good professional dental care, we can help your child enjoy great dental health well into adulthood.

Do you or your child love playing sports? Protect your smile with Gap Free Mouthguards
