Dressed for Success

Now that our Stage 6 Support Unit girls have all the skills required to get a job, it was time to make sure they look the part. Luckily the wonderful people from Dress for Success were there to provide one-on-one stylist sessions and professional outfits for their next job interview. They also received bracelets from Pandora!

Major Works for HSC Visual Arts Students

It's that crucial time of the year again when Year 12 HSC students are focussed on their major assessment for the course. Unlike the theory subjects, practical subjects such as Visual Arts must have the HSC Major Works, which is worth the majority of their marks, completed half way through Term 3.

The pressure is on the students and they are thriving, spending countless hours with Mr Traicevski in the Art room, as well as at home, adding the final touches to their work before it goes into lock down. Students are working in a variety of expressive forms this year, including portrait painting, photo media, sculpture, drawing and block printing. Some of the art works are exploring very personal issues from family relationships to personal transition, conservation and environmental issues to themes on the repetitive nature of wars, resulting in the students creating sophisticated and thought provoking pieces of art work.

Once again, the dedicated students are doing themselves, and Kanahooka High School, proud through the standard of excellence they are achieving in their work.

Profile CAPA Star Dancer CHARLOTTE C

Age: 16

Primary School: Hayes Park

Current Class: 10K

Favourite Subject: Dance

Least Favourite Subject: Mathematics

Hobbies: Dancing, horse riding (has 11 horses), gymkhana show riding. Charlotte achieved Top 5 at Canberra Royal Show.

Future Goals: Study at University of Wollongong perhaps involving the sciences.

Currently performing as part of Southern Stars Performing Company, which consists of 120 students from Primary and High Schools in the South Coast Illawarra Region. To be part of this company Charlotte underwent a rigorous audition process, going through various stages until finally being selected.

Charlotte will perform a total of 5 individual dance pieces, as well as the opening and finale numbers, undergoing numerous costume changes for each piece.

Moving Musicians

Southern Stars is happening this week, and for the students in the Southern Stars Choir there is something new happening. Like usual they will be located in the seating area behind the orchestra, but they won't remain there for the entire performance. Nope - this year they are featuring in a movement piece as well, on the main stage. Singing AND dancing... now that is really pushing the boundaries. They had a rehearsal last week, and have a couple of dress rehearsals later this week before the show opens at the end of the week.

Ryan H, Alannah B, Bayden M, Mason S, Taliaha T, Courtney M, Maddison M and Shania S will be singing, shaking, shimmying and boogying their way around the Wollongong Entertainment Centre with excitement and pride.

Southern Stars

Show Week for Southern Stars 2018 – ICONIC

After almost a year of preparation and many months of rehearsals, Southern Stars 2018 **ICONIC** is in the final and most exciting week - show week!

Over 2500 public school students from the Illawarra and Southern NSW will perform in Southern Stars 2018 **ICONIC**, displaying their many and varied talents in music, dance, drama and even circus, at the WIN Entertainment Centre on Friday August 31 (10am and 7.30pm) and Saturday September 1 (2pm and 7.30pm).

ICONIC is a two hour professional and high quality arena style show which has something for everyone. Featuring the most iconic songs, moments, concepts and fashions of our time; **ICONIC** has everything from rock to pop, hip hop to bollywood, soloists to a cast of thousands - this is not your typical school production!!!

You can visit our **Southern Stars - The Arena Spectacular** Facebook page and take a look at the finale videos from past years to get an idea of the scale of the show.

It doesn't matter if you know anyone performing or not, it is worth taking your friends and family members to see one of the best variety entertainment shows in the country. The matinee show on Saturday in particular is ideal for families!

Southern Stars Rehearsals

KHS singing 'stars' are meeting the stars of entertainment while rehearsing on the show this week. Bayden M was luckily enough to meet Jay Laga'aia, star of Playschool and numerous other TV shows. These students are also dressing up in costume this year.

+ Trained intensively with the Australian Dance Theatre in Adelaide.

PARMA FOR A FARMER

Parma for a Farmer was a huge success at KHS.

Over \$450 was raised toward our Buy a Bale target.

Thank you to all the teachers and staff who purchased a Chicken Parma.

A special thanks to teachers and students who assisted in the creation of these amazing culinary delights.

Deputy Principal's Report

School Administrative and Support Staff Recognition Week

From Monday 3 September we will be celebrating SASS week. SASS week creates an opportunity to acknowledge our administration and other non-teaching staff. These invaluable members of our school community are the backbone to our organisation and making the wheels turn in our student's classrooms and around the school.

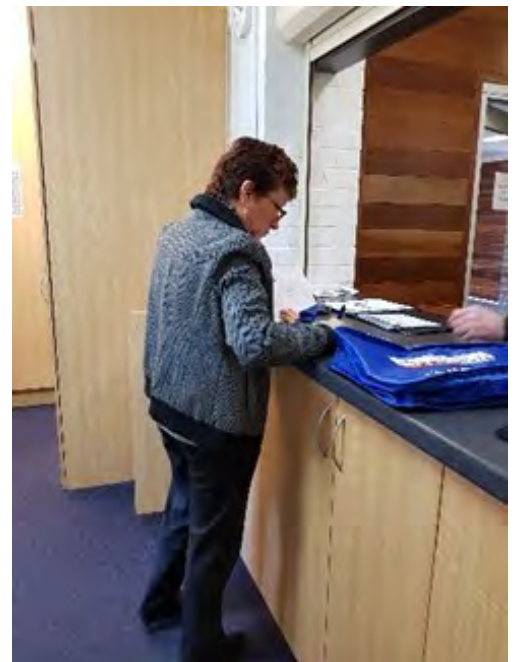

The lovely ladies in the front office answer your calls, offer first aid, and can in every case, name all students in our school. The SASS staff prepare experiments in the Science labs. They prepare food for the delicious Food Technology classes. They photocopy reports and prepare resources for classes. They sit beside students to help them engage in their learning and so much more.

Without these amazing men and women in our school we wouldn't be the great school that everyone knows and loves. So it is a huge thank you from all of us to all of you.

Keep an eye out on Facebook to see how the week unfolds. Let the celebrations begin next week!

School Administrative & Support Staff

Ms J Burns
Deputy Principal

Mathematics

Pre-Test

Check your progress!

Next week, Year 7 students at Kanahooka High will be assisting with the NAPLAN School Readiness testing. The purpose of this testing is to confirm our school's readiness through the school readiness testing (SRT). SRT is an opportunity to test school technical infrastructure, test administration processes, procedures and logistics, connectivity, number of devices and bandwidth issues.

This test will involve Year 7 doing two different tests - a writing and a numeracy task. These will happen on Monday 3 September and Wednesday 5 September, during a Mathematics and an English lesson.

It is important to remember that these tests do not have anything to do with the student's NAPLAN results, but is simply testing the school's technical infrastructure.

Mrs K.Lewis

NAPLAN Coordinator

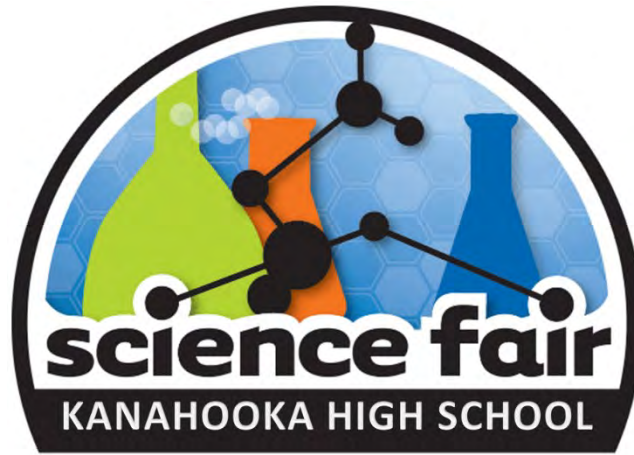

Science Fair Frenzy

All systems are go in preparation for the up and coming Science Fair. Students are busy preparing their boards and gathering information as well as having a bit of fun along the way.

We look forward to seeing this year's entries. Good luck to all students.

Science

Kanahooka Science Fair 2018 is almost here!!

GET ONBOARD AND CHANGE THE WORLD!

On Wednesday 19 September we will be holding our annual Science Fair in the School Library at 4pm. There are over \$850 worth of prizes to win, and it is a great opportunity for students to get involved in a Science Fair project together.

It is so easy to enter! Simply fill out an entry form, conduct an experiment of your choice, and create a poster. Entry forms can be collected from the Science Staffroom.

Students can present their poster on standard cardboard, or they can purchase poster boards from the front office for \$5.

Entries are due by 14 September, so time to get experimenting (if you haven't already started!!!).

Sponsors for entry passes and gift vouchers include:

Technology

Some new laptops are coming our way. New HP devices with a screen that folds back over 360 degrees and touch screen capabilities, with a full QWERTY keyboard, just for good measure. They look fantastic, run faster than any other computers in the school with a solid state hard drive.

Ready to be used as either a notebook or a tablet!

- HP ProBook x360 11 G1
- Featuring Pentium Processor
- Fully folding Screen
- 128GB M.2 SATA TLC SSD
- Windows 10 Pro 64bit
- 4GB DDR3L-1600 SDRAM

Not only are they small, compact and portable; they are also Minecraft Education ready. Microsoft office 2016 (latest version) and Photoshop are available to be installed. The students are going to be able to log in to these computers faster than ever and get more school work done.

Don't forget to come and see Mr Harding in the Library (when exams aren't on) Mondays, Wednesdays and Fridays if you want to see him about getting something 3D printed or get advice on learning to code.

Science

Get onboard and change the world!

Enter your team in the 2018 Kanahooka High School Science Fair and make a difference. To enter, simply fill out an entry form, conduct an experiment of your choice and create a poster. You don't have to split the atom or cure cancer (although it would be great if you did), there are plenty of cool experiments you could do.

The 2018 Kanahooka High School Science Fair is **FREE** to enter. So get a group of your friends (max 3 to a group) together and be in the running to share in **OVER \$850 WORTH OF VOUCHERS AND PRIZES!**

Prizes include entry passes and gift cards generously donated by local businesses:

Share in over \$850 worth of vouchers and prizes

Work on something that interests you

Have fun with friends, share in the prizes

Learn something new and exciting

IMPORTANT INFO:

- When: Wednesday 19th September, 2018
- Where: KHS School Library
- Time: Doors open at 4pm, presentation at 5pm
- See your Science teacher for an entry form
- Entries close on the 14th September 2018

Please be reminded that Kanahooka High School is an

Aerosol Free Zone

This means any deodorants and/or scented sprays are prohibited at school.

The use of aerosol spray can be potentially deadly to some students at this school. Thank you for your co-operation.

Roll on deodorants are ok.

Japanese Study Tour

岡崎城西校等学校

Okazaki Josei High School Study Tour of KHS

Wow! What a week we had with our Sister School students from Okazaki, Japan. This year's trip saw an increase in KHS students and their families opening their homes to host our international visitors for 10 days. A big thank you to Ms Ethridge, Mr & Mrs Ursino, Naomi & Kiersten G, Charm B, Alexander F, Trinity C, Cate & Ellie M & their families for looking after them so well.

We also saw the addition of Mr Jardine & Miss Page to the teaching timetable! Alongside the long serving and international teaching masters, Ms Coogan and Ms Dedini, our Okazaki students were immersed into a complete Aussie school experience. There were many talents discovered in PE, Music and Dance and not so many in Hospitality and Karate. It is fair to say that this year's study tour group were dancers and definitely not chefs!

Mr Bird was another debutant to join our official ceremony this year. He was able to surprise us with a few Japanese words and sentences. It seems there may be many more skills we are yet to discover ...

A surprise package assisted Ms Dedini with Adele's *Rolling in the Deep*.

Japanese Study Tour

Year 10 Japanese put up quite a fight during *Hiragana Snap*. We're pretty sure that Naomi outdone the masters at one point!

8S Japanese learnt the significance of the crane and it's challenging paper folding technique.

8K Japanese hosted a *Kahoot* lesson. The smiles and laughter across all faces proved that this was a first time experience for Okazaki Joshei.

Mrs Shoebridge pushed Year 9 Japanese way out of their comfort zone, being paired up with people they had just met for the first time and then sent on a *selfie quest*.

There were some very memorable moments caught on cameras during this activity. Students then had to "think on their feet" and break through communication barriers to successfully untangle themselves from each other.

2018 also saw the introduction of a combined Okazaki and KHS buddy excursion to Killalea State Park in Shellharbour.

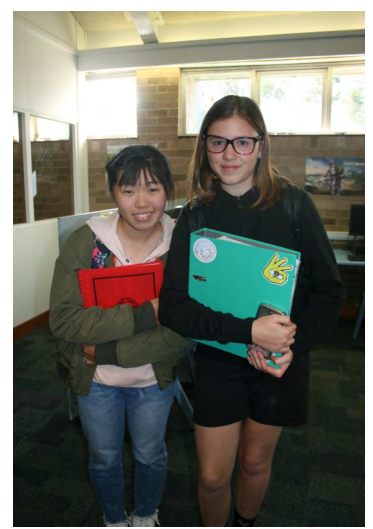

Students were immersed into all sorts of outdoor survival challenges, which saw a lot of new friendships formed for life.

Japanese Study Tour

Of course the program would not be as successful without the generous help of our KHS student buddies. Alongside our hosting students, members of Year 8, 9 & 10 Japanese volunteered their time to act as companions to the Okazaki students. This included collecting them from and taking them to classes, showing them around the school and just simply being there for any bouts of home sickness.

Japanese Study Tour

A big ありがとう to Malaki D, Chelsea B, Chloe P, Michael P, Jessica L, Alec N and Kiersten G for their help in ensuring a memorable trip.

And finally ...

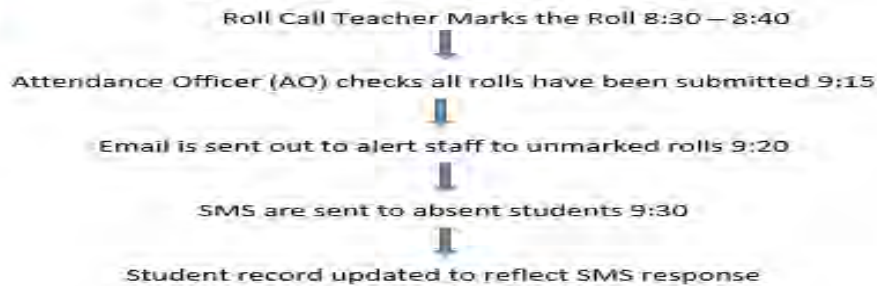

THANK YOU to our Master chefs, Ms Thatcher and S4 for cooking the Great Aussie BBQ. Thanks also to Ms Lynch for all of your hospitality in looking after the staff accompanying the Okazaki students. The office staff whom, Mrs Shoebridge annoyed for a good 2 weeks prior to their arrival and Mr Glasgow and the HSIE staff for looking after Mrs S and Mrs Ursino for the week!

Your Bag Design Could Win Your School \$5,000!

Coles are giving all primary and secondary school students across Australia the opportunity to design the next range of Coles reusable shopping bags and win fantastic prizes.

The new range of sturdy, durable, multi-use shopping bags are better for the environment because they can be used over and over again. These bags are also great for our community because a portion of the proceeds from the sale of these bags will go to Coles community partners.

Great Prizes for Great Designs

Each selected bag design will be rewarded with \$5,000 for your school to spend on an environmental or sustainability project. Plus a \$500 Coles Gift Card will be awarded to the student who created the winning design. A minimum of 7 amazing bag designs will be selected.

Privacy Notification Statement

Coles collects you and your child's name, your child's age, plus your phone number and email address when you enter this competition. Your entry will be emailed to Coles via colesbagdesign@coles.com.au. Your Details are collected, used and disclosed by Coles for purposes including administering the competition, complying with applicable laws (such as laws relating to running competitions) and announcing and contacting winners. Your Details may be disclosed online on the Coles website to announce winners and supply prizes, and otherwise as set out in the terms and conditions or permitted by law. If you do not wish to provide Your Details unfortunately you will not be able to enter the competition. You are welcome to view the Coles Privacy Policy to find out how to access or correct Your Details, make a complaint if you believe a privacy breach has occurred or would like to find out more about Coles' general information handling practices. If you have any questions or would like to discuss, please contact Coles Customer Care at privacy@coles.com.au.

Instructions for students

Bag Designs

We are looking for original bag designs that are bold, creative and desirable. Your bag design should be based on one of the following design themes:

1. Nature and our environment.
2. Delicious, fresh food.
3. "Happiness is ____?"
4. "Where my imagination takes me..."

The design style is completely up to students. Designs could include photography, illustrations, graphic designs or drawings. Students can enter as many times as they like however, each design must be an original.

How to Enter

1. Download the die lines of the example bag.
2. Ensure your design is contained within the die lines.
3. Design the bag using one of the 4 specified design themes as your inspiration.
4. Save your final design as a PDF document no larger than 8MB
5. Complete one entry form per bag design submission.
6. Email your bag design PDF document & entry form to: colesbagdesign@coles.com.au
7. All entries to this mailbox must be received no later than midnight on Monday 22nd October 2018.

How will the entries be judged?

1. The bag entries will be judged by a panel from Coles and our design agencies.
2. The bag entries will be judged based on the use of the design theme, creativity, attractiveness and desirability of the design.
3. The winning designs will be selected in October 2018. The winners will be announced in March 2019.

are designed to support
development for children with
autism or developmental delays in
communication, behaviour or social
skills 0-6 years of age.

PlayConnect Playgroups use a holistic approach providing experiences that are centred around the child's own physical and emotional wellbeing. By building on experiences, children are supported to feel secure, confident and capable in their learning environment. Groups also provide opportunity for parents to meet other families, helping to make social connections and share information based on personal experiences. Groups are led by early childhood educators who will work with families to develop strategies to engage with children and support their emerging skills by using each child's own interests and strengths.

Guess who competition Newsletter Issue 13

Each newsletter issue there will be an ongoing competition that has a picture of a staff member as a child. Let's see how clever you are!

There is a box at the office where students can place their answer. The first correct answer drawn each fortnight wins a \$5.00 Canteen Voucher. Staff are also encouraged to try to guess just for fun.

Issue 12 Answer: Ms A Hanson

Jordain-Rian L guessed the correct answer. Please come to the office to collect your voucher.

Don't forget to submit your guess in the box on the office counter. Good luck!

Each day we send out an SMS for whole day absences and late arrivals where no explanation has been provided. Parents can respond to the SMS with the reason for the absence. If you respond to the SMS, you do not need to provide a written note. If more than one child in the one family is absent, you must respond to each SMS for it to record against the correct student in the system.

From time to time, errors are made and an SMS has been sent when students are in fact present. We appreciate parents contacting us to check. This has allowed us to follow up and correct the mistake so that it does not remain in the system. We ask all parents to ensure their contact details remain up to date to ensure absence information gets to you promptly.
