ISSUE No. 15

27 September 2019

Congratulations Year 12 on completing your Higher School Certificate. The highest qualification of secondary school. I am sure you will be preparing the best plan for your future as you step into the world of adulthood. I am confident the future is in safe hands. Some of you will be planning for the exams, some seeking employment and some still thinking it through. No matter what you decide, I, with all your teachers and staff wish you all the best as we proudly see you graduate.

I would also like to congratulate and thank the families of the Year 12 students for a strong partnership in making this happen.

Year 11 have now finished their Preliminary studies as well. Next you step into Year 12, your final year of secondary school. It is a privilege for the staff to walk this exciting path with you and your families.

I hope everyone enjoys the school break and I look forward to Term 4 with everyone ready to make our great school even greater!

DEPUTY PRINCIPAL'S REPORT

Well we have reached the end of Term 3. It just seems like yesterday the term started. This time of year is always a sad but exciting time for Year 12 students in all schools. Sad because we are saying goodbye to our Year 12 students who have been a vital part of the Kanahooka High School community for the last 6 years. In that time we have seen all of Year 12 mature into responsible young citizens who actively model the values and attributes required for success in their lives after school. That is why it is also exciting, as the education they have received both within the boundaries of Kanahooka High School and at home have set them up for successful experiences in life after school. I know that this is the case for all Year 12 students no matter what pathway they choose to take in the future. It is a privilege to have worked closely with Year 12 and I wish each of them all the best for the future.

I would also like to take this opportunity to thank the parents and carers of Year 12 for the support they have given their child throughout secondary school and in particular during their last two senior years of schooling. My son is completing Year 12 at the moment so I have seen first-hand from both a parent's perspective and as a Deputy Principal assisting Year 12 students the stress that can be experienced at this time in a young person's life. It has not always been a smooth ride for students in Year 12, however, the support your child has received at home has been vital in assisting them in reaching this milestone in their lives.

This is not the end of their high school life for Year 12 as they still have the HSC examinations to complete. I strongly encourage all students to use the assistance offered by their teachers during this period. All students have been issued with revision activities and example examination questions to assist them in preparing for the HSC. A number of Year 12 teachers have organised workshops in the school holidays for students to revise content and work through any areas of the subjects in which they feel they need extra assistance. Information regarding workshops for specific subjects can be accessed on the Kanahooka High School Facebook page. Also Year 12 teachers are always available to assist students needing extra help in their preparation for the HSC. This assistance should be sought during the periods teachers are allocated to teach Year 12 or by contacting the school to organise a time to meet their teacher when they are free. I wish all Year 12 students the best for their HSC examinations and look forward to congratulating them on their results in December.

I would also like to take this opportunity to thank Mrs Sammut and Mr Walton who have been Year Advisers for this group of Year 12 students over the last 3 years. They have spent many hours organising and supporting the students who are completing Year 12. I am certain that the students under their care are very grateful for the assistance they have offered when required.

Finally thanks to all parents and carers for supporting students in Years 8, 9 and 10 through the subject selection process which they have participated in over the last few weeks. Parent and carer participation is vital as it assists students in making informed decisions and helps them select subjects based upon their interest and talents. I wish all students and their families a safe and happy holiday and look forward to a successful and productive Term 4 for all students at Kanahooka High School.

P Kipp
Deputy Principal

DEPUTY PRINCIPAL'S REPORT

School Uniform – Thanks again to parents and carers for working with us to ensure that students are attending school in correct Kanahooka High School uniform. Additional KHS uniform items can be purchased through the Front Office from 8am to 2pm Monday to Friday.

The school uniform is:

Black dress pants (no elastic cuffs)

Black dress shorts

Tunic

Tunic skirt

White shirt

Black (All Years), Green (Years 7, 8 and 9) or Red (Years 10, 11 and 12) Sloppy Joe

Black cardigan or jacket

Senior jacket

Black leather or leather-like shoes that cover the foot (Work, Health and Safety issue).

Students proudly wearing KHS school uniform.

Jennifer and Emma (left)

Channing, Georgia and Amelia (right)

Daniel (below)

SHOES AS PART OF SCHOOL UNIFORM

What is **DEFINITELY NOT** acceptable

- Ballet style shoes
- Slip on/laced shoes that do not cover the full foot
- thin canvas Raben shoes

These **do not comply** at all with any OH&S or chemical safety regulations about footwear. They give little foot support, sole traction, stability or protection.

ACCEPTABLE

NOT ACCEPTABLE

Technology Timber

Congratulations to Year 12 Industrial Technology Timber students for the successful completion of their Major Projects. These projects reflect their excellent level of design and practical skills.

TAS

Sean M-A

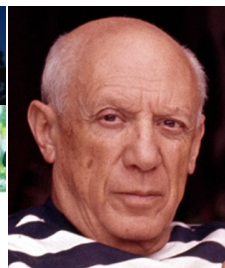

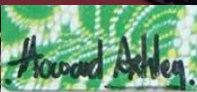

Tyler D

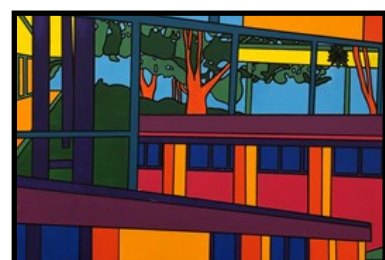

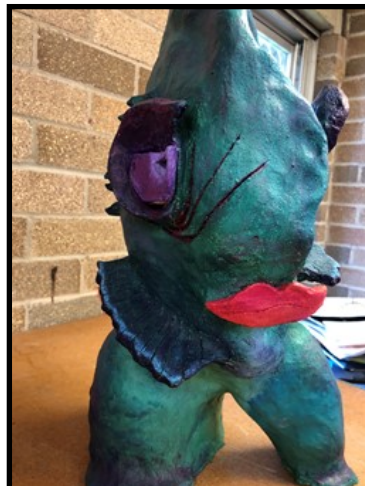

Students have created a mural that will be displayed around the Visual Arts rooms, based on the work of the Australian artist Howard Arkley. Students took photographs of different aspects of Kanahooka High School and collaged them together to create their mural panels. Students also examined the painting work of Pablo Picasso, creating sculptures based on those paintings.

INSPIRATION

TECHNOLOGY

New Internet

Recently we had a new Internet connection installed by the Department. This has changed the way that BYOD devices connect to the internet. Computers that have already been setup will still connect to the local network and printers will still work. The difference is the proxy settings on Windows, Mac, ChromeOS and Android devices has changed.

Previously devices were setup with:

- Automatically detect settings (ticked)
- Manual proxy server settings proxy.det.nsw.edu.au port:8080 and account username and password saved into the machine (which worked well).

After the change over:

Those two options are now changed to, Use automatic configuration script.

<http://pac.det.nsw.edu.au/fib/proxy.pac>

I've had several people come to me to have settings changed so far. If you have a device that suddenly isn't browsing the web the way it was previously at school, then come and see me in the Library Mondays, Wednesdays and Fridays. I'll show you how to get it working (or just set it up for you). Once these settings have changed you will need to go to the following URL to login:

<https://detnsw.net>

Using your full firstname.lastname@detnsw

Before you can browse online.

Be sure to logout!

You will need to logout when you are done browsing the internet. The best way to do this is to bookmark

<https://detnsw.net/logout>

DoE Login is Required to access the Internet

You are required to identify yourself to enable access to the Internet.

Log in with your DoE account

In the form of `firstname.lastname@detnsw`

KULLILLAH

Kullillah has been very busy in Term 3. Students have been working hard to complete their assessment tasks before the break begins.

Mr Rostron's Curriculum Support program has been very successful in assisting students with one-on-one support on assessment tasks and class work.

Brandon's program organisation has been running smoothly with Warilla Women's Health Centre and Wollongong Youth Service, and Mr Last's many different Japanese and Distance Education students are practicing success!

We have been running some extra activities such as cooking and EVO on Friday.

Students have been having a great time learning new skills and discovering their talents.

Fried Damper - made with half plain flour, half self raising flour, a pinch of salt, add water to make a dough, roll out, cut into squares then cut again to make triangles. Shallow fry in vegetable oil. Drizzle with Golden syrup! - Enjoy

NOTICEBOARD

Thank You Tony

KHS would like to thank former student and local business owner Tony Hutchinson for his generosity in fixing our box trailer without charge.

When Tony graduated from Kanahooka High School he went straight to Mercedes in Wollongong as an Apprentice Mechanic and spent 8 years there. Some 28 years ago, at the age of 25, Tony went out on his own and kicked off Tuning Par Excellence.

Tony is well known in the local community for the great automotive services he provides at his Marshall Street workshop as well as his magnificent fleet of Mini Limo's that are available for occasion hire. You can call Tony on 4262 2355 for all service or Mini Limo bookings.

A message from the Principal ...

MINNAMURRA RAINFOREST OCTOBER HOLIDAY PROGRAM

Sensory walk at Minnamurra Rainforest - Wednesday 2nd October 2019

Dear Christine,

I wish to pass on my congratulations to Russ Crighton and the Yr 12 Marine Studies classes on the way they conducted themselves in the BoatSmart practical program earlier this year.

Russ's experience and input provided invaluable support in delivering the program and the enthusiasm, behavior and participation of the students was exemplary. The class is to be congratulated on all 9 students successfully completing the General Boat License exam.

I look forward to your continued support of the Marine Teachers Association and the BoatSmart program.

DOUBLE DELIGHT FOR ACTIVE KIDS

Thanks to the Active Kids vouchers local kids are keeping active while their parents are keeping the cash.

I am so pleased to advise that from 01 July 2019 each school-enrolled child will now be able to access two \$100 Active Kids vouchers per year.

The money will help you pay registration costs for sport and recreation, so that your kid(s) can participate and stay active all year-round.

Families across the region keep telling me how much the Active Kids Vouchers help them manage the cost of living. Now with two Active Kids \$100 vouchers per school enrolled child, you can keep even more money in your back pocket while your kid(s) stay happy and healthy.

Since the Active Kids program was launched in 2018, more than one million vouchers have been redeemed and more than \$100 million saved by NSW families.

It is a big win for NSW when more kids can participate in sport because of the Government's drive to take down the barriers to expensive registration costs.

Whether it is soccer, scouts, AFL, rugby, netball, golf or volleyball, you're sure to find an activity your kid(s) will love. Active Kids really is making a difference to children's participation in sport and active recreation in NSW.

From January – June there was an overall increase of 13 per cent in the number of Active Kids' vouchers created, including a 17 per cent rise in vouchers created for girls following an influx of registrations for dance, gymnastics, tennis and swimming Active Kids providers.

These are incredible results and demonstrate why the NSW Government is investing an additional \$40 million this year to expand the Active Kids program.*

From 01 July, parents of school-enrolled children can access a second \$100 Active Kids voucher to use towards registration and membership fees for sport and active recreation each year. For further information visit sport.nsw.gov.au/activekids or call 13 13 02.

BLUESCOPE 2020 APPRENTICESHIPS

Cert III in Electrotechnology (Electrician)
Cert III in Engineering Mechanical

HVTC Illawarra, in partnership with BlueScope, is offering Electrical and Mechanical apprenticeships commencing in 2020.

During your apprenticeship you'll be employed by HVTC and hosted by BlueScope in Port Kembla, where you'll contribute to the production of premium branded coated and painted steel products for customers all around the world.

What's involved?

As an apprentice you will complete your qualification over 4 years through a combination of formal training with a Registered Training Organisation (RTO) and practical on-the-job experience with BlueScope (your host). As your legal employer, we will ensure you receive quality training and supervision and will provide you with a dedicated Field Officer to guide and mentor you throughout your apprenticeship. Upon completion, you'll not only have a nationally recognised qualification under your belt, but the knowledge, skills and confidence to build a successful trade career.

Electrical apprentices will develop the skills to read and interpret electrical and mechanical diagrams, plan the layout of wiring systems; test for, locate and repair electrical malfunctions; install new electrical systems and repair and maintain existing equipment.

Mechanical apprentices will have the opportunity to undertake a variety of machining operations, such as drilling, reaming, turning, milling, grinding and boring.

To be considered for these roles you must have:

- Ability to commence in January 2020
- Ability to work in a team environment
- Commitment to the full term of the apprenticeship and study requirements
- Willingness to learn and develop new skills
- Demonstrated interest/passion in the trade
- Strong verbal and written communication and interpersonal skills
- Ongoing commitment to safety, quality and principles of continuous improvement.

Apply online via www.hvtc.com.au/jobs
Job ref #289 (electrical) and #290 (mechanical)
